## DNA

### Fully Kitted

All Q sinks are fully kitted out with a number of stylish, versatile and supremely functional kitchen accessories, to give you the ultimate home chef experience.

### Fibre-Rock®

Zomodo's unique midnight black Fibre-Rock® wood-fibre composite kitchen accessories, perfectly integrate & enhance the style and functionality of the Q sink collection.

### 16ga Stainless Steel

All Q sinkware is crafted from extra thick 16ga SUS 304 stainless steel for long-lasting durability.

### Recessed Waste

Using a specially crafted tool, Q sinkware have a deeper recessed waste kit so the waste kit cover sits flush with the bottom of the sink bowl.

### No Crease Lines

Unlike regular fabricated (hand-made) sinks with crease lines in the bottom of the bowl to create water fall towards the waste kit, our Q range has a specially formed sink bottom that allows fall without the lines, creating a smooth minimalist style.
